SNOW DAY OR OTHER WEATHER RELATED CLOSINGS:

Noah's Ark is open on days that public school may need to close. We recommend that you keep your child home IF at all possible. Noah's Ark does put a message on our phone system if we need to close. You may call the school at 978-374-1000 and press 3 when you hear the first greeting. The message will be put on between 5:30 and 6:00 am. There is always a message in that "mail box" regarding school closings so feel free to try it before school begins.
